

A Circle of Friends

Wallspace is a distinct exhibition space for contemporary art. We are dedicated to exhibiting the work of artists who are exploring themes which are best described as 'spiritual' – human identity, the divine, the sacred, life and death, the interior world and worlds beyond. This opens up opportunities for reflection, challenge and debate for people of all faiths and none.

Wallspace is valued locally, nationally and internationally for the exceptional quality of its exhibitions and programmes. And all our exhibitions are free to the public, there's nothing quite like it.

But it really needs your support – we are entirely dependent on donations. So we would like to invite you to join the Wallspace Circle of Friends by making a donation to the work of Wallspace.

As a member of the Circle you will:

- Be invited to the Private View of all our exhibitions.
- Be the first to get 'save the date' news of exhibitions and events.
- Receive regular email newsletters.
- Be invited to our annual Wallspace event.

There are two particular ways of giving that will be of real help. The first is to Gift Aid your donation by simply signing the appropriate section of our response card. The second is to consider making a regular gift to Wallspace by standing order. Regular giving helps us to plan better and operate more efficiently.
